There are other committees meeting but Finance & General Purposes, Standards Curriculum and Safeguarding and Premises/Health & Safety meet termly, or more often if needed. All the Governors are members of one or more of these committees. The other committees meet on an as needed basis and if you wish to know who attended these committees, you can ask the School Office.

Where there is a 'n/a' against a person's name, this stands for 'not applicable' as the person is not on that committee or was not on the governing body at that date. A number indicates that the Governor is a member of that committee and shows the number of times they attended that committee (possibly 0, 1, 2 or 3).

Governor Attendance is kept centrally by the School Office and posted at the end of every academic year. Attendance from 17-18 will be posted by September 2018. In the meantime, if you have queries about Governor attendance, please ask the Office.
