

Christ Church C of E Sports Premium Funding 2016-17

At Christ Church C of E School we believe PE & Sport play an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better. Through PE & Sport our children learn to develop the important qualities and values of perseverance, courage, resilience, communication, team work, and ambition, leading to improved concentration, attitude, and academic achievement.

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2016 to 2017 academic year, to encourage the development of healthy, active lifestyles. The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

What does the Sport Premium mean for our School?

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

Allocations for the academic year 2016 to 2017 are calculated using the number of pupils in years 1 to 6 , as recorded in the January 2016 census, as follows:

- schools with 17 or more pupils receive £8,000 plus £5 per pupil
- schools with 16 or fewer pupils receive £500 per pupil

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Key criteria to measure the effective use of this funding include:

- An increased participation in PE and sport.
- All children develop healthy lifestyles.
- All children reach the performance levels they are capable of.
- Development of opportunities for children to apply, rehearse and refine skills and knowledge acquired in a variety of PE/ sports contexts.
- Inclusion for all through diverse experiences which foster an ethos of fair-play and competition.
