

Ancient Egyptian Topic Homework

1st Half of Spring Term 2018

This homework allows children to deepen their understanding of an aspect of our topic, which this half term is about the Ancient Egyptians. **The central task is in bold and is compulsory**; the other tasks are optional. We encourage children to choose ones that interest them and to aim to make a line of at least 3 tasks. They will help your child to develop their understanding and use the knowledge and skills we are building up in school. Tasks may be completed in whatever form your child chooses – handwritten, word processed etc. and they may want to include photos or other methods of recording. This homework is due in on **Wednesday 28th February** so that there is half a term to complete this work.
