Topic Homework –2nd half of Summer Term 2018

As our topic on the Animals covers a full term, I have decided to set the homework tasks on another theme for the 2nd half of the term. This homework will be on display in the Autumn Term when we return to school. As a class we chatted and decided we would base our activities on “Getting ready for Summer.” I have tried to encompass some the ideas and suggestions the children made. **The central task is in bold and is compulsory;** the other eight tasks are optional. We encourage children to choose ones that interest them and to aim to make a line of at least 3 tasks. They will help your child to develop their understanding and use the knowledge and skills we are building up in school. Tasks may be completed in whatever form your child chooses – handwritten, word processed etc. and they may want to include photos or other methods of recording. This homework is due in on **Wednesday 12th July 2018** so that there is half a term to complete this project. If you cannot access the internet at home, we can give your child time on the computer in school. Do let us know. I am always delighted and over whelmed by the homework we receive. Please could I ask you to consider the size and transportation of the homework!!!! Thanks.
