

## Christ Church C of E Sports Premium Funding 2017-18

At Christ Church C of E School we believe PE & Sport play an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better. Through PE & Sport our children learn to develop the important qualities and values of perseverance, courage, resilience, communication, team work, and ambition, leading to improved concentration, attitude, and academic achievement.

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2017 to 2018 academic year, to encourage the development of healthy, active lifestyles. The premium must be spent by schools on making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

Our Sports Premium Funding for 2017-18 was £16,670

- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

## **Key criteria to measure the effective use of this funding include:**

- An increased participation in PE and sport.
- All children develop healthy lifestyles.
- All children reach the performance levels they are capable of.
- Development of opportunities for children to apply, rehearse and refine skills and knowledge acquired in a variety of PE/ sports contexts.

- ◆ To increase the amount, level and variety of competitions the children are able to compete in
- ◆ To try and increase the numbers of children participating in clubs outside of school
- ◆ To continue to promote a positive attitude towards a healthy and active lifestyle
- ◆ To target children that have been recognised in a certain sporting area and provide opportunities to develop their talent further.
