## Weekly News 15/05/26

Welcome to our Weekly Newsletter where you will find all the latest updates and information about school. Please scroll down to find out about some of the goings on in school this week, along with reminders of events and diary dates for the coming weeks and months.

### “Preparing, Sowing, Growing”

Our Christian Value for May is **Courage**.

This means being brave and strong, doing something that is scary, being confident to express own view, standing up for others and speaking up. Our link Bible story is David and Goliath (1 Samuel 17 – Old Testament)

### Our new outdoor area is complete!

We are delighted to see our long-awaited Early Years outdoor provision come to life this May, following over a year of careful planning and aspiration. The completion of our new outdoor provision marks an exciting milestone for our school community and most importantly, for our youngest learners. At Christ Church, we are deeply passionate about the role the outdoors plays in children’s learning and development. We firmly believe that high-quality outdoor provision is not an ‘extra’, but an essential part of Early Years education. The new 60m<sup>2</sup> covered area will enable our children to access outdoor learning opportunities throughout the year, whatever the weather, ensuring consistency, freedom and extended time to explore, discover and grow.

We would like to extend our sincere thanks to our fantastic PTA – Charlotte, Faye, Isobel and their wider team – for their incredibly generous donation towards this project. Without their support, we simply would not have been able to bring this vision to life. We are hugely grateful for their continued commitment to enhancing opportunities for our children.

Our old canopy, which only covered a quarter of the outside area

The old canopy was removed and recycled by a children’s football team

# The building of the new canopy....

The foundations were vast!

The front timber frame was ready for the roof

The roof joists go on

The noggins ensure the timbers don't twist

The finished outdoor area complete with UV protected roofing sheets, so it can be used all year round

Mrs Martin has loved arranging the new outdoor activities for the children this week

# The children have loved their new outside space

Building a river ...

Exploring oobleck dough

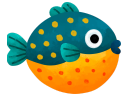

Loving the water funnels

Just building...

# Maple Class Marine Biologists!

I couldn't help but laugh as I walked into the hall on Tuesday afternoon, greeted by the wonderful sight of Maple Class sitting on the floor in swimming goggles, fully immersed in their roles as Marine Biologists! The staff had cleverly transformed the space into an underwater reef (with the help of our conveniently blue PE mats), and the children were busy exploring the impact of pollution on sea creatures. Through stepping into role, the children weren't just learning about marine environments—they were thinking, questioning and behaving like real scientists. It was a joy to see learning being experienced with such enthusiasm, creativity and purpose.

# Oak Class' Traffic Survey

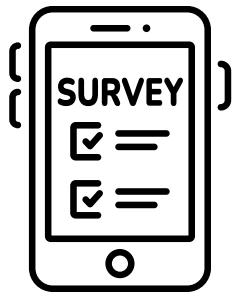

Oak Class are exploring why population changes across the world in Geography this half term. This week, their learning took them out into the local community as they investigated how population levels can affect traffic in an area.

After a busy week of SATs, the children enjoyed a change of scene as they headed out into Cressage to collect first-hand data. Armed with tally charts, they carefully counted the number of vehicles passing along different roads over a set period of time.

Of course, the highlight of the afternoon wasn't just the data collection – it was the enthusiastic response from the local community!

Many drivers kindly waved or beeped their horns as they passed, much to the children's delight.

A few children even decided to keep an additional tally of waves and honks, proving that sometimes the most memorable learning moments happen when serious fieldwork is mixed with a little joy and laughter.

# Oak Class SATs Week

This week has been SATs week for our Year 6s. All across the country, Year 6 children sit six tests comprising: Reading, Spelling, Punctuation and Grammar and Maths tests. We make sure they are well-fed each morning by making them a breakfast of pancakes 🥞, waffles 🥞, croissants 🥐 and more, generously topped with chocolate spread, Biscoff spread or syrup (sometimes they choose all three!) This is usually the children's first experience of formal testing and we couldn't be prouder of them all.

They have worked so hard and made fantastic progress over the year. Well done Year 6s! ★

The after-SATs celebration!

**FreezeNova  
(Unblocked games)**

FreezeNova unblocked is a website that is free to access and contains a wide variety of games, including shooting, multiplayer and racing games. This site may bypass usual filters, making it easier for your child to access games that you may not want them to play. As there are a variety of games, not all games may be suitable for your child.

There is also FreezeNova Chat, allowing users to chat to their friends and meet new ones. Clearly there are concerns with any online chat facility as there is the potential to view inappropriate content, risk of bullying as well as grooming.

We could not locate any age ratings on this site and there are constant adverts. Childnet have a webpage providing advice on gaming and chat features here:  
<https://www.childnet.com/help-and-advice/gaming/>

**Group Chats**

Is your child part of any group chats? This could be on social media, for example on WhatsApp or within games such as Fortnite. If so, it is important that you are aware of the potential risks, which include:

- Inappropriate content – there is often a lack of moderation within chat facilities so users could be exposed to content/language that is not suitable for their age.
- Bullying – there are many instances where inappropriate/hurtful comments are shared within groups, this could take the form of name calling or body shaming. Bullying can also be in the form of excluding others from the group. These issues often overspill into 'real life'.
- Strangers – your child could be added to groups with people they do not know or even with someone that they have previously blocked.
- Conversations can be shared/screen shot – make sure your child is aware that anything they share within a group can be shared with others.
- Sharing personal information – remind your child to be aware of the information they share with others, including images and location.

**How can I help make group chats safer?**

- Check the recommended age rating and adhere to them.
- Set up age-appropriate parental controls, suitable privacy settings and set screen time limits.
- On WhatsApp you can do a privacy check, by going to settings, privacy and privacy checkup.
- Show your child how to use any reporting and blocking tools.

**What else can I do?**

- It is crucial to have regular conversations with your child about the risks outlined above and about what they are doing online.
- Talk about who they are chatting with, encourage them to think carefully about what they send and how it could be perceived by others. Talk about positivity and not saying anything hurtful. Ask them to think about whether they would say what they are messaging, face to face.
- Devices should be used in family rooms so you can monitor what they are doing and who they are interacting with.
- Finally, make sure to model good digital behaviour yourself, as children often learn by observing the adults around them.

**Roblox - update**

**Screen time guidance  
for under 5s**

**What is Roblox?**  
Roblox is a platform consisting of a collection of games. Players can either create games or play games that other users have created. As a lot of the content is user generated, not all games will be suitable for your child to view/play. If your child is playing Roblox, it is important to monitor what your child is accessing as well as set up appropriate parental controls. PEGI rate Roblox with a Parental Guidance recommended label, this is because it is a platform of individual, user generated games.

**New Age-Based Accounts**  
From next month, Roblox will introduce two new age-based accounts: Roblox Kids for users ages 5 to 8 and Roblox Select for users ages 9 to 15. Roblox Kids Accounts (ages 5-8) will be limited to games with a 'Minimal or Mild' content maturity label and all communication is disabled by default. Roblox Select accounts (ages 9 to 15) will be limited to games with content maturity labels up to and including 'Moderate'. By default, Experience Chat is ON and Direct Experience Chat is OFF. The differences in chat are outlined here: <https://about.roblox.com/safety-by-age>

**Parental Controls**  
As part of parental controls, you can manage content ratings, communication, screen-time, and spending limits as well as see which games your child is playing on and who their friends are. Roblox are extending these controls to allow you to:

- Block specific individual games (to age 15).
- Manage direct chat settings (to age 15).
- Approve access to specific games.

It is important to regularly monitor what your child is playing on Roblox and who they are interacting with, even if you have parental controls set up. You can find out more about the new accounts and parental controls here:

The Government now advise limiting screen time for young children. They advise avoiding screen time for under 2 years and to try to keep it to less than 1 hour a day for 2-5 years. Best Start for Life have published an article outlining what content is better, how your own screentime affects your child and how screentime can affect your child's development. **Do you know what 'looksmaxxing' is?**

It is the idea of improving and maximising your looks. Internet Matters have published this article, which provides more information on this topic and outlines the risks (including links to the manifesto):

**PEGI is expanding their age ratings**

From June, PEGI is adding new categories. "Newly submitted games will be classified with a broader set of criteria that will focus on content and functionality, such as purchases of in-game content, paid random items, communication features, and features that incentivise players to continue playing." # Celebration Leaves & Star Learners

## Acorns Class

**Leaf:** William for enthusiasm with his topic. Especially in Science and Geography. Great knowledge and key skills.

**Learner:** Daphne for being such a wonderful model in all areas of school life. You are a delight to teach and a well valued member of Acorns.

## Maple Class

**Leaf:** Elsie for being such a happy, bubbly member of our class. You always work incredibly hard and bring so much enthusiasm to everything you do. Your positivity is contagious, it lifts the people around you and makes our classroom a brighter place. Thank you for being one of those wonderful people who make school happier for everyone!

**Learner:** Eden for some wonderful ideas in your letter from Syd to Grandad. You used interesting vocabulary and worked incredibly hard – and you even edited your letter all on your own! Well done, you should be really proud of yourself.

## Holly Class

**Leaf:** Austin has shown the courage to try out new skills and be used to demonstrate examples in Computing. He worked with independence and focus to make his own branching database this week.

**Learner:** Billy Joseph has been great at sharing his ideas for calculating in maths, clearly describing his process for 3 number addition. His work in our lessons about reading the time has shown commitment and effort.

## Willow Class

**Leaf:** Rose – you have settled so well into Willow Class. You have got to grips with our routines and it is lovely to have such a polite, well mannered girl joining the class.

**Learner:** Lilly M for consistently hard work and positive attitude every day. Lilly you are a pleasure to have in the class and I can rely on you always.

## Oak Class

**Leaf:** Roo for being adaptable this week and a great listener to those in year 6 after their busy mornings! Thank you for being so kind.

**Learners:** All of Year 6 for being superstars ✨ throughout your SATs this week. You have all shown courage, perseverance, responsibility and friendship. We couldn't be prouder of you. Well done Year 6 ✨

The poster features a central illustration of a school building with a flag, a soccer field, and two tables of goods. One table has clothes and a teddy bear, with a woman and a child nearby. The other table has books and plants, with a woman and a man nearby. A yellow banner with the text 'GRAB A BARGAIN OR MAKE SOME MONEY!' is draped across the scene. The background includes a sun and a cloud with raindrops.
