

Oak Class Homework – Second Half of Summer Term 2026

Monday 1st June – Friday 17th July 2026

The purpose of homework is to help children practise and extend skills which they need every day in school. In Year 6, we are beginning to develop the skills of organisation, time management and self-motivation, which they will need to transition to secondary school next September. We have found that weekly homework in Year 6 helps them foster these skills preparing them effectively for their next steps.

Year 6 children should complete the following weekly homework:

1. Reading

It is a significant support to children's learning and overall wellbeing that they read from a book or hear their parents or carers read to them as part of their everyday life. This is why we aim to build reading into our partnership between school and home.

We aim to develop responsible readers, therefore any reading at home can be recorded in your child's diary either by themselves or an adult. Children's fluency, vocabulary and comprehension benefit from regularly reading at least 5 times a week at home, at least 10 pages per read, in addition to the daily reading all classes complete in school. Reading needs to be a positive experience and one that children share with their parents, grandparents and siblings.

2. Spellings

This half term, we will be revising all of Year 3, 4, 5 and 6 statutory spelling words, which are listed on the next page. Children can choose which spellings to practise each week and we will have a dictation containing 10-20 of the words on Wednesdays.

3. Times Tables

If your child is not yet confident with their times tables up to 12×12 , then it is vital they practise them at home each week. We use times tables in all of our Maths learning in Year 6, so if children are not fluent, they can find their Maths learning much harder. We use the 'White Rose 1 minute Maths app' in class and this is available for you to download at home too. This link will take you to the page explaining how to download it: <https://whiterosemaths.com/resources/1-minute-maths>

4. SATs Boot Camp

We have subscribed to SATs Boot Camp on <https://www.yearsix.co.uk>. This gives children the opportunity to practise SATs-style Maths and SPaG questions in both lessons at school and at home. Your child's login is in their reading diary. Please encourage your child to login and have a go at home, as this will be helpful in supporting their learning.

Year 6 Spellings

We will be practising these words in class this half term and ask children to have a go at home by writing them out on paper or any other method they find most helpful.
